

# Amber Keele

Hi I'm Amber Keele, a licensed Zumba and Strong Nation Instructor. I specialize in making fitness fun, always done to the beat of music. I have been in the fitness world since 2012 when it just fell into my lap. I have never looked back. Being a dancer since I was little it came natural to me. I have a love and passion for fitness and the friendships made at the gym. I am the mother of 5 wonderful kids, 1 son and 4 daughters. Originally from Utah but my husband joined the Air Force so we have lived in a few places, Alaska being one of my favorites. Now we are here in Colorado to Stay.
